Safety information

IT IS IMPORTANT THAT YOU READ THE SAFETY AND PRODUCT INFORMATION BOOKLET (INCLUDED) PRIOR TO USING YOUR BLACKBERRY SMARTPHONE. It contains essential safety information related to your smartphone.

More getting started information

For videos, BlackBerry® Answers, and more, go to **www.blackberry.com/gettingstarted**.

1 Insert the SIM card

Depending on your BlackBerry® smartphone model or your wireless service provider, you might not need a SIM card for your smartphone.

To remove the battery door, press the button at the bottom. Slide the SIM card into the slot.

2 Insert the battery and media card

The media card is optional. If a media card was included, it might already be inserted.

3 Set up your smartphone

1. If prompted, set up your BlackBerry® ID.
2. Get started quickly with Setup!

If Setup doesn't start automatically, on the Home screen, tap the **Setup** icon.

4 Set up your email

1. On the Home screen, tap the **Setup** icon > **Email Accounts** icon.
2. Follow the instructions to set up your email address.

When your email address is set up correctly, you receive a confirmation email. To see your email, on the Home screen, tap the **Messages** icon.

Data plan required.

Import your contacts

You can import your contacts from a SIM card or by using the BlackBerry® Desktop Software. For information about the BlackBerry Desktop Software, see the "Connecting to your computer" section in this guide.

If you have a SIM card, do the following:

1. On the Home screen, tap the **Setup** icon.
2. Tap the **SIM Contacts Sync** icon and follow the instructions.

Features not supported by all wireless service providers.

Switch smartphones

To move data from a previous BlackBerry® smartphone, do the following:

1. On your computer, open the BlackBerry® Desktop Software. To get the latest software, go to **www.blackberry.com/desktopsoftware**.
2. Connect your new smartphone to your computer.
3. Click **Copy data and settings from another device** and follow the prompts.
4. If necessary, on your new smartphone, tap the **Setup** icon > **Email Accounts** icon and follow the prompts.

Lock your screen

To lock your screen, press the key on the top of your BlackBerry® smartphone.

Set a password

1. On the Home screen, tap the **Setup** icon > **Password** icon.
2. Select **Enable** > tap **Set Password**, and follow the prompts.

To lock your smartphone, on the Home screen, tap the **Password Lock** icon.
Record your password for future use.

Wouldn't it be great if one key unlocked all the doors you face each day? With BlackBerry® ID, that's exactly what you get. BlackBerry ID is your single, universal key to BlackBerry® products, sites, services and applications, including BlackBerry® Protect™ and the BlackBerry® App World™ storefront. BlackBerry ID: One login. One password. One less thing to worry about.
